

Budget Meeting 4-23-2025

Kirby, Mattson, Page, Gordon, Seeman, Rutherford, Nelson, Henry Dawdy all present.

We went over the questions from the last board meeting. Wondering about 2 accounts still will need to get together with Aaron and go over those accounts.

Need to find \$75,000 water payment information from last November, it was not in the right line item.

Page brought up text from lawyers about legal issues going on, says she will bring them up at the board meeting. Also went over Core documents, need to find agreements to see how much we have paid out between the two.

Meeting Adjourned 7pm, Kirby Motioned Page 2nd, everyone in favor

Respectfully submitted,

Courtney Nelson
